Join the JMA Group and Rides for
https://www.ride2remember.com/ using WolfPack

Intro

WolfPack (www.wolfpack.run) reinvents the group riding experience. Our systems allows organizations such as JMA to plan group rides, invite your riders, navigate together and communicate, all from your Android or iOS device.

As a company founded by veterans of the IDF, we are proud to be chosen by JMA to support you on your Ride2Remember.

We are equally proud to put the Ultimate Riding Experience in the Palm of your Hand!

Please follow these steps to join the JMA event and have access to the JMA rides:

1. Go to our website: www.wolfpack.run - there are buttons there that will allow you fo download WolfPack from the Android or Apple store.
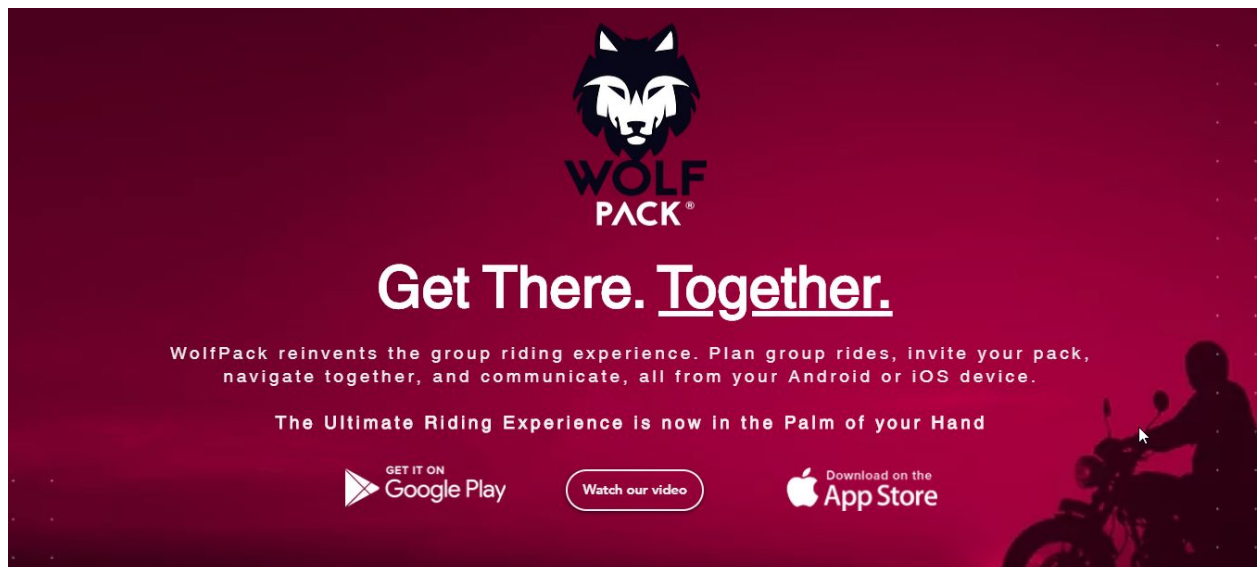

2. Or, go directly to the following link: http://onelink.to/9kmw37 (you will be taken to the Android or Apple store, depending on your device).

3. Register and create an account with WolfPack through the app.

4. After the account is created, join the JMA Pack, using the following Screen:

Go to the "Home" screen and click on the "WolfPacks" button shown here.

Click on the "Join by ID" button.
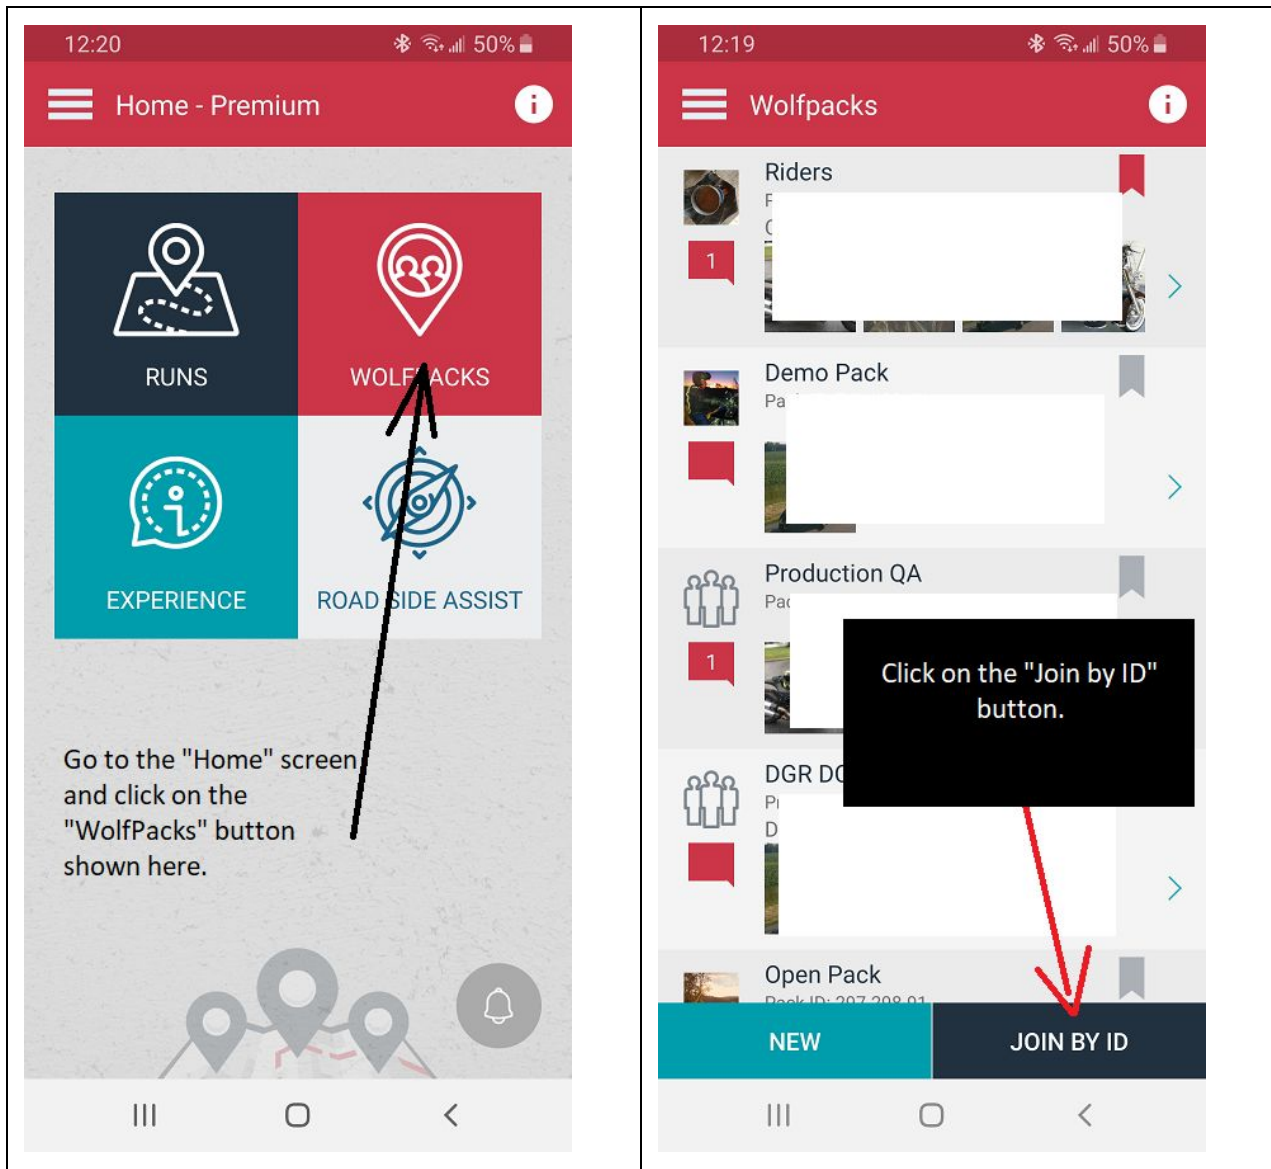

5. You need to provide the following **ID to join: 627-024-44**

6. Once joining the pack, go to the "Runs" Menu (shown below)
7. The list of Runs will show on the list of Runs.

Click on "Runs" to see the plan for all JMA Runs for the May 2020 Event.
